

# GRADUATE INTERNSHIP PROGRAM

At Villanova University, we seek men and women of generous spirit who are committed to supporting the work of Campus Ministry.

Interns are graduate students who reside and work in resident halls, where they model and build Christian community. They offer students opportunities to develop personally and spiritually through liturgies, service projects, small group discussions, and retreats. The internship spans two years of academic and ministerial work, including at least one summer of coursework.

- ***Full Tuition Remission***
- ***Room & Board***
- ***Living Stipend***

Applicants seeking admission in Fall 2021 must have completed their undergraduate degree by August 2020 and have at least one year of volunteer or work experience.

The priority application deadline for funding consideration is February 1, 2021.
